(iv) Effective school year 2013-2014, and each school year thereafter, require district administration of common benchmark adaptive assessments statewide in reading and mathematics for grades one (1) through eight (8) in accordance with W.S. 21-3-110(a)(xxiv). The board shall also establish, in consultation with local school districts, requirements for students to earn a high school diploma as measured by each district's assessment system prescribed by rule and regulation of the state board and required under W.S. 21-3-110(a)(xxiv). Beginning school year 2014-2015, and each school year thereafter, each district's assessment system shall include a measure or multiple measures for purposes of determining completion of high school graduation requirements. The state board shall by rule and regulation establish guidelines for district development of this measure or measures, and shall through the department of education, provide support to districts in developing each district's measure or measures. The state board shall through the department, annually review and approve each district's assessment system designed to determine the various levels of student performance and the attainment of high school graduation requirements. A high school diploma shall provide for one (1) of the following endorsements which shall be stated on the transcript of each student:

(A) Advanced endorsement which requires a student to demonstrate advanced performance in a majority of the areas of the common core of knowledge and skills specified under W.S. 21-9-101(b) and proficient performance in the remaining areas of the specified common core of knowledge and skills, as defined by the uniform student content and performance standards promulgated by the state board pursuant to paragraph (a)(iii) of this section;

(B) Comprehensive endorsement which requires a student to demonstrate proficient performance in all areas of the common core of knowledge and skills specified under W.S. 21-9-101(b) as defined by the uniform student content and performance standards promulgated by the state board pursuant to paragraph (a)(iii) of this section;

(C) General endorsement which requires a student to demonstrate proficient performance in a majority of the areas of

the common core of knowledge and skills specified under W.S. 21-9-101(b) as defined by the uniform student content and performance standards promulgated by the state board pursuant to paragraph (a)(iii) of this section.
